With two of the flashiest black and white animals in the breed sitting at the front end of her pedigree, Vegas is sure to be a knockout. It helps that her dam has 90" of beautiful swooping horns and her sire throws twisty offspring. Can't wait to see how she turns out.

Total Horn: 64.3750 on 03/22/2025
TTT: 58.7500 on 03/22/2025
